b Mountain States Regional Hemophilia and Thrombosis Center, Aurora, CO, USA

Available online 17 July 2006

The authors regret that in the above article the sentence that appears on page 348, lines 4—6 is incorrect. The sentence should read:
“Kinetic absorbance data is blanked to baseline absorbance in order to eliminate effects of background absorbance due to lipemic or icteric plasma.”

The authors apologize for this oversight.
