

Advancing care for people with bleeding and thrombotic disorders through research, education, and mentorship.

The Hemostasis and Thrombosis Research Society (HTRS) is a nonprofit professional medical society focused on disorders of hemostasis and thrombosis.

Join us for:

- State-of-the-art professional education at our HTRS Scientific Symposia and Coagulation Disorders Workshops
- Access to the HTRS Fellows Network for mentorship, career development, and research grant opportunities
- Opportunities to support the next generation of hemostasis and thrombosis clinicians and researchers
